

Flat Free Commercial Mower Tires for Lawn & Garden Applications Made in the USA

Maximum Performance & Reliability

Proprietary polyurethane foam formulation produces maintenance-free tires for commercial lawn mowers.

- ▲ Flat free
- ▲ Weatherproof and sun resistant
- ▲ Will not absorb water
- ▲ Perfectly balanced tire provides a smooth ride
- ▲ Wears 2x longer than rubber
- ▲ Steel wheel construction

OUTPERFORMS CONVENTIONAL PNEUMATIC TIRES

Flat Free Mower Tires & Assemblies

Disclaimer: Foreign manufactured components used on some assemblies

"I've been doing business with Amerityre for a long time and purchase a wide spectrum of tires to use in our commercial wheel manufacturing. Price and delivery have always been competitive. Quality meets or exceeds the competition. I would recommend Amerityre tires for use in both commercial and home applications."

– Mark Blakely, United Wheel & Hub, LLC, Ohio
