

# Seeder Tires

## Made in the USA

### Best and Toughest in the Field

Proprietary urethane formulation makes flat free seeder tires “stubble proof”.

- ▲ Flat free solution
- ▲ Maintenance free
- ▲ Outperforms rubber
- ▲ Weatherproof and sun resistant
- ▲ Highly resistant to field stubble damage

c o r p o r a t i o n

# AMERITYRE TECHNOLOGY: *BEST IN THE FIELD*

Field test results show service life up to 4,000 acres.

Amerityre's proprietary urethane tire formulation stands up against field stubble in harsh, no-till farming conditions.

## Flat Free Seeder Tires

Part Number	Tire Size	Bead Width (in)	Tire O.D. (in)	Tire Color	Tire Wt.	Load Rate
10-3-16-BLK-AG	15x3.00	1.80	14.60	Black	6.00	350
10-4.5-16-BLK-AG-A	16x4.50	3.10	14.90	Black	10.10	500
10-4.5-16-XPA-AG	16x4.50	2.60	15.00	Black	10.00	500
