

Flat Free Forklift Tires

Made in the USA

Environmentally friendly and highly durable polyurethane elastomer means big savings for you.

- ▲ No carcinogens or heavy metals
- ▲ No outgassing or toxic fumes
- ▲ High abrasion resistance
- ▲ UV and ozone resistant materials
- ▲ Universal fit press-on tire
- ▲ Non-marking

Superior Tire Technology – Made in America

Superior Polyurethane Elastomer Technology

Polyurethane elastomer can be disposed of in municipal landfills with no adverse environmental impact, thus saving you money on disposal fees.*

Amerityre Part Number	Tire Size	Description	Tire Tread	Color	Weight lbs	Capacity @ 6MPH	Capacity @ 10MPH
P10565SM	10x5x6.5	Elastomer, Press-On, Non-Marking	Smooth	Gray	15.5	3190	2830
